

2025 SunCatcher Therapeutic Riding Academy Participant Guidelines

Our mission is to provide inclusive therapeutic horsemanship services, guided by experienced instructors, bringing a sense of joy, hope and belonging to those facing life challenges.

The following is information necessary for us to ensure that you have a safe, fun and successful experience here at SunCatcher. Participants, parents/guardians, volunteers and guests are responsible for following rules and regulations at all times. Any violation may be considered a reason to be dismissed from the lesson or facility.

Eligibility Requirements

*All participants must have a current physical before engaging in any mounted sessions.

For the health of our horses and safety of all, the mounted sessions weight limit is 200 pounds for dependent riders (needing a side walker) and 230 pounds for independent riders.

(An independent rider must be able to ride without a side walker's physical assistance and must be able to ride balanced at a walk on bareback pad).

*Groundwork-only sessions (30 - 60 minutes) are specifically designed to encourage confidence-building and exploring the unique horse-human connection. They will include grooming, horse-led games, painting and learning alongside a horse.

*The minimum age for all participants is three years old.

*Our instructors reserve the right to make discretionary decisions on eligibility for their programs, and all sessions are dependent upon health and availability of our horses and volunteers.

Risks of Engaging in Equine Activities

Although our horses are well-trained for therapeutic activities, they are still animals. Please note that equine activities inherently involve risk. Under South Dakota law, an equine professional is not liable for an injury to or the death of a participant in equine activities resulting from the inherent risks of equine activities, pursuant to §42-11-2.

Participant Dismissal From Activities

Participants, parents and guardians should be aware that certain conditions will require the dismissal of participants from equine activities. These conditions include but are not limited to:

- Incomplete registration and/or physician's forms.
- Any display of harmful or threatening behavior exhibited towards the facility, any person, or animal.
- Failure to pay the account balance within 90 days.
- Failure to follow SunCatcher's Code of Ethics, as well as any rules, regulations, or policies.

- If you are more than 10 minutes late, your session will be cancelled but you will still be fully charged.
- All of our lessons require volunteers who travel and may be taking time off work to help YOU. We ask that out of courtesy to them, you give at least 24 hours notice if you will be gone for your session.

WEATHER:

Due to the unpredictability of South Dakota's weather, and the fact that we only have outdoor facilities, the following guidelines will apply:

- All sessions will be cancelled if outside temperatures are over 100 degrees F with the humidity factor, or under 45 degrees F
- No mounted activities if temperatures are over 90 degrees F with the humidity factor (will substitute groundwork with horses)
- No outdoor activity if there is lightning within 5 miles of session site, or if it is determined to be too muddy/slick/windy to safely work with horses—indoor activities will be substituted.
